BUDGET A FARCE, SAYS METZ AT BOARD HEARING BOARD HEARING BOARD HEARING Estimates Low to Fool Public and Deficiency Made Up by Revenue Bonds. Is to do away with revenue bonds," answered the Mayor, and were the Mayor, and aware the Mayor, positively. J. Harrison Jones, representing the North Side Board of Trade, asked if he eouid be heard on the Tenement-House Commissioner had not been allowed any increase and asked Mr. Jones if he could the near on the Commissioner had not been allowed any increase and asked Mr. Jones if he could the near that the Commissioner had not been allowed as much money should not be allowed as much money should not be allowed as much money as last year; that in his opinion he had too many clerks and too many unnecessary inspectors. "Lean't do that; but you make mo commissioner and I will run the Department much more cheaply than it is being run to-day." "I think I shall not take advantage of your offer," replied—the Mayor.

by Revenue Bonds.

budget for 1908, in City Hall to-day, broke up in a few minutes after a disgred W. Ehrich, counsel for the Allied Real Estate Interests, during which Comptroller Metz shouted:

"The hearing's d farce anyway." The Mayor suggested that the hearing was held on the Comptroller's

Mr. Ehrich said he was there to pro test for the organization he represented against the method of the Board in making up the budget.

'We are kept in the dark," he said "In regard to how it was arrived at." Heaps, Raced Back to Barns He said department heads made big estimates and increases, so that when over the year before, anyway.

Mayor McClettan explained that the

budget was always tentative until finally reached and printed.

Wanted Public Review.

were entitled to a hearing before the out, but both had to be taken back to final determination of the budget, and the barns owing to the obstructions

"Well, then," said Mr. Ehrich, "postpone the bearing until we know what

tive form of government you consider we represent you, en?"

"Wny don't you send for the tentative

Ehron said that was what was wanted, but changes might be made

payer myself. You can't settle the a volley of stones shattered the win-whole thing because you're a taxpayer, dows, You're only one. You can't sit in the Twenty minutes later another attempt board. You haven't been elected to it." was made to send a car over the line, Mr. Ehrich said he would accept the with a similar result. Mayor's suggestion of a posiponement.

Metz Fights School Cut. The tentative estimates for the sponse to a subpoens calling on him to budget were considered by the board answer a charge of violating the saniin secret after the regular meeting, tary laws. The charge was brought by The Mayor announced that there was no increase in the Mayor softies, but that the Department of Finance asked that the Department of Finance asked for an increase of \$10.60.

"I understand, said the Mayor, "I understand, said the Mayor, "No sir, I—demand it," replied the Comptroller. "We need it."

"Will you consent to a cut of any sort," asked the Mayor, "We lil, I might censent to a decrease of \$60,000 and atruggle along with it," replied Mr. Metz.

"Its year we are facing a very seriting that the thross of a financial crisis which may develop into a commercial which may develop into a commercial one."

The Comptroller remarked:

"If I had my way I would not cut the departmental demands at all The close was accurate the health officer, who is accurate Mayor, the health officer, who is accurate Matter of violating the law in housing men in an unsanitary building, the care barns not being considered nt for juminan habitation. The case was adjourned until to-morrow afternoon.

STEAMER ABANDONED AT

SEA; CREW ALL SAVED.

BAI/TIMORE, Oct. 25.—A cablegram from London to the Maritime Exchange to-day says that the British steamer Tampico, from Baltimore for Rotterdam, was abandoned in latituse of the departmental demands at all The stroying and the needs of car.

"If I and my way I would not cut 47 North, longitude 32 West. The crew the dopartmental demands at all. The very excellent the growing and the needs of carging along city repartments properly scamer Indiana, from Fernandian have been growing with it. We have to make up deficiencies for years with fake budgets. Then we have to make, the crew of the British steamer Tampur dencencies during the year with the reverse the previous bonds."

The object of this budget estimate tude 45 North and longitude 32 West.

CROWDS STONED

Trolleys, Blocked by Gravel -Windows All Smashed.

YONKERS, N. Y., Oct. 25.-The dumping of two wagon loads of gravel on the tracks of the Yonkers City Rallway Company, whose men are on strike, prevented the running of cars on the Mr. Ehrich insisted that taxpayers line this forenoon. Two cars were sent they wanted to know the figures and on the tracks, and while they were how they had been reached.

"How can that be done," burst in the Board a crowd of strike sympathizers, but

the budget, tentatively, is, so we can know and talk intelligently.", Yonkers line, has 150 strike-breakers "Suppose we do adjourn the hearing." housed in the car barns on Main street, said the Mayor. "After you had talked on it again it would still be a ten- for them. Besides the strike-breake.s tative budget. How can we do any there are 100 special officers at the better by that? Aren't we the repressume place who have undertaken the sentatives of the people and the tax-job of assisting in ending the tie-up. payers. As we are under a representasent out at 8 A. M. When the trolley had reached the corner of Main street "Why don't you send for the tentative and Warburton avenue a driver of a budget?" asked President McGowan, wagon loaded with gravel wheeled on to the track just ahead of the car and suddenly dumped his load of gravel. He insisted that it was an accident, and so was not arrosted.

The car was run back to the barns, followed by the jeers of a big crowd that had witnessed the "accident," while

President Maher appeared to-day before acting City Judge. Potter in re-
